Dear Parents/Guardians

**Headship of St Cyres School**

On behalf of the Governing Body I am delighted to announce that Dr J Hicks has been appointed to the Headship of St Cyres School following a three day selection process. He will take up the new post at the beginning of the Autumn Term following Mr Lightman's departure at the end of the Summer Term

Dr Hicks was the outstanding candidate within a very strong field. He is passionately committed to the further success of St Cyres and the ideal person to lead the school through the exciting next stage of its development into brand new state of the art facilities. We know that he is highly respected by parents, staff and students and have every confidence that he will take the school from strength to strength.

Yours sincerely

Mrs A Males OBE  
Chair of Governors
