Dear Parent/Guardian

Proposed Redevelopment of St Cyres School

Planning for the redevelopment of our school has continue to make excellent progress during recent months and a full submission supported by a contribution of £12million towards the project from the Vale Council has gone to the Assembly. We now eagerly await the decision which is expected in July.

Meanwhile informal consultation is taking place with the community. Two important public consultation meetings have been arranged by the Council as follows:-

7 July 6.00 p.m. Dinas Powys site
12 July 6.00 p.m. Penarth Site (Old Hall)

I very much hope that large numbers of parents will attend these meetings and demonstrate your support for this exciting development. Please rest assured that the meetings will finish in good time for those of you who are anxious to watch any World Cup fixtures!

Yours sincerely
