

ST CYRES SCHOOL

Strive Together Challenge Yourself Realise Everyone can Succeed

Mr P Lewis, BSc (Hons)
Acting Headteacher/Prifathro Dros Dro

23rd May 2020

Dear Y6 students, Parents and Carers,

My name is Ms Hirani, and I will be leading the transition process. A large team supports the transition of Year 7; Mr S Morris will be the Head of Year 7. He is currently Head of Year 11 and been with his current year group from Year 7, journeying with them as they've moved through the school which means that he is very familiar with the trials and tribulations of starting secondary school for both children and parents alike.

Mrs Torres is the ALNCo for the school and will also be supporting your transition activities. Pastoral assistants, along with your dedicated Learning Coaches will be involved in helping you to settle into the St Cyres community. Everyone is looking forward to supporting you whilst you settle into the routine of secondary school life.

Starting secondary school is a very exciting time but can also be quite daunting as you transfer from a relatively small school to a larger one, particularly in these uncertain times. The thing that most students worry about initially is getting lost as you move around the school site. Try not to worry too much about this, as the staff and pupils will support you every step of the way.

I also realise at the moment that you may be more anxious as schools are closed and starting again is going to feel very strange. I want to reassure you that we will be in regular contact with you, your parents and carers and your Year 6 teachers so that we can update you with information. We will do our very best to ensure that your introduction to the St Cyres community is as smooth as possible and we are all here to help you.

I'm really looking forward to meeting you and your family in person but in meantime, if you have any questions do not hesitate to get in touch with us. We welcome your questions and will answer them for you as best as we can. Please follow our official Twitter [@CyresTransition](https://twitter.com/CyresTransition) where you will be able to engage in transition activities, meet our staff and post your questions. We will also be publishing regular newsletters to showcase your transition work and provide updates on our work. You will also find useful information on transition on our school website under the tab: School information; Pupils and Parents <http://www.stcyres.org/transition/>

Stay safe and well,

Ms U Hirani
Assistant Headteacher
