

# St Cyres Transition Science Challenge 1

Welcome to St Cyres School. We look forward to welcoming you into our laboratories to study science at St Cyres. The challenge:

Take a photo of a minibeast (get as close as you can) and label how it is adapted to survive in its habitat.

One pair of wings for hovering

Yellow and black stripes to mimic a wasp to frighten off predators

Compound eyes for wide field of view

Mouth parts for sucking up nectar and pollen

We can't wait to hear from you!

Share your labelled photos with @StCyresScience @CyresTransition @Mrs TomlinsTeach @MsthiraniU
