

St Cyres German Department Transition Challenge

Hallo! Willkommen!

Are you ready to start learning a new, exciting and very useful language? Great! We can't wait to meet you in September!

Here is your German challenge!
Choose one of these tasks, or do them all!

Viel Glück und viel Erfolg! 😊

1. Find out what a *Black Forest gâteau* looks like and then draw one! If you feel creative, you can also try to create one out of paper and card!

2. Found out how many countries German is spoken in and draw the flags of those countries!

3. Do some research about *Germany* (what is its capital City, how many people live there, where is it, do you know any famous landmarks?... etc...) and design a poster or a slide to showcase your findings.
Make it look nice!
