

Accelerated Learning Grant/ Recruit, Recover, Raise Standards Grant (RRRS)

The RRRS grant is designed to support improving outcomes and provision for students in examination years, who have been particularly affected by the time missed in school owing to the pandemic. The grant was intended to support catch-up for these pupils. The grant has been spent in the following areas: -

- Additional teaching staff within English and Maths to target improving standards in literacy and numeracy.
- Additional staffing within Science to cover some of HoY 11 teaching allocation. HoY 11 only teaching 10 lessons so that they can provide bespoke curriculum for identified pupils.
- Appointment of Wellbeing Youth worker
- Reduction of Head of 6th Form teaching allocation to provide additional wellbeing and academic coaching and mentoring.
- Reduction of HoY Year 7-11 teaching allocation to provide additional wellbeing and academic coaching and mentoring.
