

Criw Cymraeg Cyres Sant

At St Cyres, we have a Criw Cymraeg made up of 15 pupils across year 7-11. Their role is to lead the charter and promote Cymraeg with their peers on a daily basis. They are

responsible for organising whole school events and activities for both pupils and staff. This year, the Criw Cymraeg have contributed to the planning and delivery of Diwrnod Shwmae Su'mae, Dydd Santes Dwynwen, Dydd Miwsig Cymru, Dydd Gŵyl Dewi and our school Eisteddfod. They have supported teachers and staff through setting challenges each half term and leading after school Cymraeg sessions. Our Criw Cymraeg has been successful in forming relationships with our local community. They enjoy visiting local primary schools, promoting Cymraeg with Year 6 pupils and working with local businesses, assisting with Cymraeg translations and suggesting ideas on how to promote the Welsh language.

Criw Cymraeg's Megan and Bethan are pictured receiving our certificate for the Cymraeg Campus Silver Award at the Central South Consortium's awards ceremony.
