AREA OF LEARNING AND EXPERIENCE **Expressive Arts**

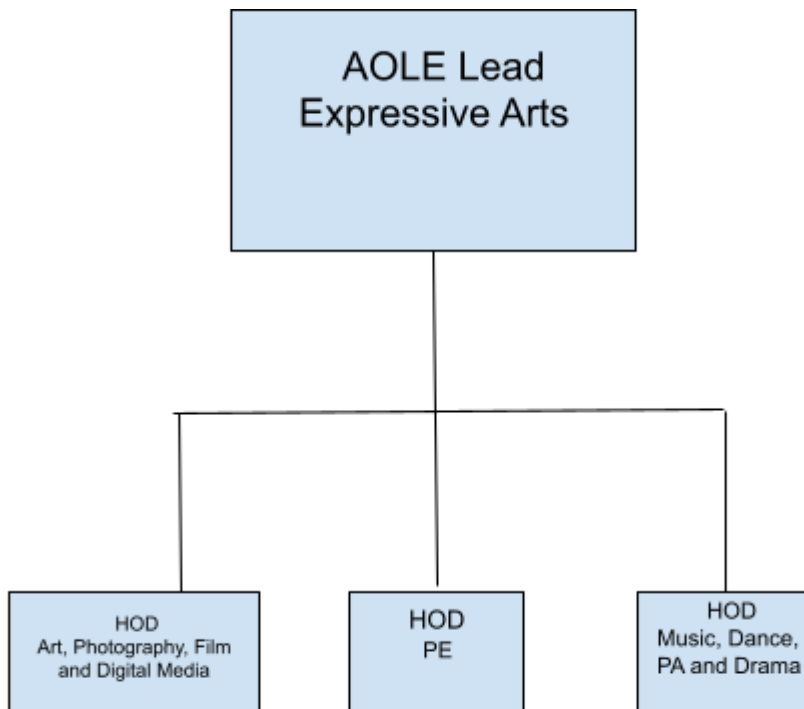

Mission Statement

To create an exciting, relevant, experimental and constantly evolving curriculum that meets mandatory requirements, ensures universal provision, empowers all stakeholders and has the four purposes at its heart.

Expressive Arts

The dynamic nature of the Expressive Arts engages, motivates and encourages learners to develop their creative, artistic and performance skills to the full. The Expressive Arts Area of Learning and Experience spans five disciplines: Art, Dance, Drama, Music and Film and Digital Media. Although each discipline has its own discrete body of knowledge and body of skills, it is recognised that together they share the same focus around the creative process.

The Area consists of a wide range of specialist subjects split into three Head of Departments overseen by the AOLL for Expressive Arts
