

ST CYRES SCHOOL

Strive Together Challenge Yourself Realise Everyone can Succeed

Mr P Lewis, BSc (Hons)
Acting Headteacher/Pennaeth Mewn Gofal

Dear Parent/Carer

Coronavirus Information Update

You will be aware that the situation regarding the coronavirus is fast moving and I am writing to update you with the current situation.

The school continues to receive regular updates from the Vale of Glamorgan Council and Public Health Wales and we will update parents through our usual channels such as email, classcharts, text messages and Twitter if the situation changes. As it stands, the advice is to continue to monitor symptoms and to continue with regular handwashing.

Many of you will be aware that, along with many schools in south Wales, a group of our pupils and staff attended the St David's day celebrations in Disneyland Paris last weekend. During that trip, it was confirmed that a maintenance worker had tested positive for Coronavirus. Disneyland Paris remains open and a statement from the resort confirmed that this person was not in contact with guests. For those pupils who went on this trip, the advice regarding monitoring symptoms and regular handwashing remains the same.

Regarding forthcoming foreign trips to Bay of Naples and the Austria ski trip at Easter, we are monitoring the situation very carefully and taking all of the necessary advice. At this stage, it is uncertain whether these trips will go ahead, but we will advise parents and pupils as soon as the situation is confirmed.

In the meantime, please be assured that we have followed all Public Health guidance and the safety and wellbeing of our staff and pupils is our highest priority. Please see attached for some important guidance on the subject specific to parents and carers.

Yours sincerely

Mr P Lewis
Acting Headteacher
